INDEPENDENT AUDITOR'S REPORT

To The Ontario Ministry of Municipal Affairs and Housing:

Qualified Opinion

We have audited the Financial Statement – Auditor's Report Candidate – Form 4 (the "financial statement") of Candidate Joe Preston (the "Candidate") for the period of May 12, 2022 to October 24, 2022.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying financial statement presents fairly, in all material respects, the cash receipts and disbursements of the Candidate for the period ended October 24, 2022 in accordance with the cash receipts and disbursements basis of accounting as defined by the Municipal Elections Act, 1996 (Section 88.25).

Basis for Qualified Opinion

Due to the inherent nature of the transactions of electoral campaigns, the completeness of contributions and expenses is not susceptible of satisfactory audit verification. Accordingly, our verification of these amounts was limited to the amounts recorded in the campaign's accounting records and we were not able to determine whether any adjustments might be necessary to contributions and expenses.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statement* section of our report. We are independent of the Candidate in accordance with the ethical requirements that are relevant to our audit of the financial statement in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter – Basis of Accounting and Restriction on Use

Without modifying our opinion, we draw attention to the fact that the financial statement was prepared in accordance with the Municipal Elections Act, 1996 (Section 88.25). The financial statement is prepared to provide information to the Ontario Ministry of Municipal Affairs and Housing. As a result, the statement may not be suitable for another purpose.

Responsibilities of the Candidate for the Financial Statement

The Candidate is responsible for preparation and fair presentation of the financial statement in accordance with the Municipal Elections Act, 1996 (Section 88.25); this includes determining that the cash receipts and disbursements basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances, and for such internal control as the Candidate determines is necessary to enable the preparation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statement.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Candidate's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by the Candidate.
- Evaluate the overall presentation, structure and content of the financial statement, including the disclosures, and whether the financial statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
