

Construction Update # 16

UPDATE NO.:	016	CONTRACT NO.	21002
DATE ISSUED:	June 16, 2023		
PROJECT NAME:	Talbot Street Construction – Mary St. to Ross St.		

Boulevard prepped and ready for brick pavers

Good afternoon, another hectic week is behind us, and we are moving closer to wrapping up the first stage of this project. The city sidewalk is now completed, and we will be starting the brick pavers on Monday. As well as continuing other various finishing works like tree pits, benches, planter boxes.

Below is a breakdown of the upcoming work for next week and what has been completed so far, as well as some pictures for viewing. For more information, please visit the project webpage at www.stthomas.ca/talbot

Work Scheduled for Next Week: (Stage 1 only Mary St. to City Hall)

- Installation of planter boxes
- Tree Pits
- Benches
- Brick Pavers Laybys/Boulevards

Work Completed This week: (Stage 1 only Mary St. to City Hall)

- City sidewalk and ramps
- irrigation system
- Light standard footings

Road Closures and Access:

- Talbot St. from Mary St to Princess Ave. will be closed to through traffic, please follow the posted detour.
- On street parking within the construction zone is **not** permitted
- Front Door access may be interrupted periodically during construction, advance notification will be provided prior to any disruption

Construction Safety:

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the street or sidewalks near the construction limits
- Maintain a safe distance from any moving equipment, stockpiles or trenches

Tree Pits formed and ready for new trees
