

## Construction Update # 2

UPDATE NO.:	<b>002</b>	CONTRACT NO. <b>21002</b>
DATE ISSUED:	<b>March 24, 2023</b>	
PROJECT NAME:	<b>Talbot Street Construction – Mary St. to Ross St.</b>	

Week one of construction is almost complete! We appreciate your patience as we continue to improve the downtown core.

Below is a breakdown of the upcoming work for next week and what has been completed so far as some pictures for viewing.

For more information, please visit the project webpage at [www.stthomas.ca/talbot](http://www.stthomas.ca/talbot)

**Work Scheduled for next week:**  
**(Stage 1 only Mary St. to City Hall)**

Cassidy will continue to install the new mainline sanitary sewer and sanitary private drain connections to each building as they work east from Mary Street on Talbot. You will receive 5 days advance notice if front door access will be lost. Access will be restored by the end of the working day.

**Work completed so far:**  
**(Stage 1 only Mary St. to City Hall)**

- Site mobilization
- Construction fence
- Pulverize asphalt
- Curb removal
- Install Sanitary by-pass pumping

**Road Closures and Access:**

- Talbot St. from Mary St to Princess Ave. will be closed to through traffic, please follow the posted detour.
- On street parking within the construction zone is **not** permitted (refer to attached Parking map for downtown parking locations)
- Front Door access may be interrupted periodically during construction, advance notification will be provided prior to any disruption

**Construction Safety:**

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the street or sidewalks near the construction limits
- Maintain a safe distance from any moving equipment, stockpiles or trenches

Sanitary private drain connection
