

Construction Update # 21

| | | | |
|---------------|--|--------------|--------------|
| UPDATE NO.: | 021 | CONTRACT NO. | 21002 |
| DATE ISSUED: | July 28, 2023 | | |
| PROJECT NAME: | Talbot Street Construction – Mary St. to Ross St. | | |

Good afternoon, another productive week of construction is now finished!

Stage 2: The Replacement of the mainline sanitary sewer is now completed up to the project limit at Ross Street. Thursday, they picked up installing the watermain where they left off in Stage 1 and have installed up to Princess Ave., they will continue installing the remainder of the watermain next week up to the project limit at Ross and Talbot.

Stage 1: The last few items of work have been subject to some delays. The street lighting and the remaining brick work will be completed as soon as the materials get to site.

For more information, please visit the project webpage at www.stthomas.ca/talbot

Upcoming work for Stage 2 (City Hall to Ross Street)

- Install Sanitary/Watermain services
- Install Main line watermain
- Install Storm Catch basins

Work Completed: (Stage 2 City Hall to Ross Street)

- Mainline Sanitary Sewer (whole project now completed)
- Mainline Watermain (End of Stage 1 to Princess Ave)

Stage 2 Watermain Installation

Road Closures and Access:

- Stage 2: Talbot St. from City Hall to Ross Street is now closed to through traffic, please follow the posted detour. On street parking within the construction zone is **not** permitted
- Stage 1: Talbot St. from Mary St to Mondamin St. is now reopened to through traffic, on street parking will resume were possible, construction activity and parking layby closures will be done as required to finish Stage 1.
- Front Door access may be interrupted periodically during construction, advance notification will be provided prior to any disruption

Construction Safety:

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the street or sidewalks near the construction limits
- Maintain a safe distance from any moving equipment, stockpiles or trenches
