

Construction Update # 6

UPDATE NO.:	006	CONTRACT NO.	21002
DATE ISSUED:	April 21, 2023		
PROJECT NAME:	Talbot Street Construction – Mary St. to Ross St.		

Comparison between the old and new Watermain

After another good week of construction, we are moving closer to being done the underground servicing work in the first stage of the Talbot Street Project. Remaining underground work includes Street lighting conduit, irrigation lines, storm catch basins, and the remaining Watermain and Sanitary building services.

Below is a breakdown of the upcoming work for next week and what has been completed so far. As well as some pictures for viewing. For more information, please visit the project webpage at www.stthomas.ca/talbot

Work Scheduled for next week: (Stage 1 only Mary St. to City Hall)

- Continue installing the new mainline watermain from White St. east to the stage limit once completed testing of the new watermain will occur.
- All Sanitary connections will finish next week.
- Electrical removals should continue, and the new electrical for the streetlights should begin later in the week.

All planned water disruptions will be communicated in advance. If your business is water sensitive and you wish to have an after-hour connection, please reach out rpflanzner@stthomas.ca if you haven't done so already.

Work completed so far: (Stage 1 only Mary St. to City Hall)

- Mainline Sanitary sewer installed in all of Stage 1
- Mainline Watermain from Mary Street to White St.
- Started electrical removals
- Installed new roadway catch basins

Setting and compacting around a new roadway catch basin

Road Closures and Access:

- Talbot St. from Mary St to Princess Ave. will be closed to through traffic, please follow the posted detour.
- On street parking within the construction zone is **not** permitted
- Front Door access may be interrupted periodically during construction, advance notification will be provided prior to any disruption

Construction Safety:

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the street or sidewalks near the construction limits
- Maintain a safe distance from any moving equipment, stockpiles or trenches
