

### Construction Update #29

UPDATE NO.:	<b>029</b>	CONTRACT NO.	<b>21022</b>
DATE ISSUED:	<b>October 13, 2023</b>		
PROJECT NAME:	Talbot Street Construction - Mary St. to Ross St.		

Happy Friday! Talbot street is now fully open to traffic. We thank you for your patience as we took the time to revitalize the underground infrastructure and spruce up the street scape.

There will be some work happening next week to finish the sand work on the brick boulevards and to complete the final landscaping in front of City Hall. The roadway will remain open during those operations.

We hope you all can come out and enjoy the Octoberfest this Saturday to celebrate the reopening of Talbot Street!
