I. INTRODUCTION

The City of St. Thomas Special Events Committee was formed in order to work with organizers to produce successful events. The Committee strives to help co-ordinate and maintain high standards, which are applicable and beneficial to all the parties involved in a special event. The Committee reports to Council with any changes to this manual. This manual correlates to the Special Events Permit Application.

This manual is designed to help you navigate through all requirements and essentially, present a safe and successful event in the City of St. Thomas. All organizers should review this manual and fulfill all requirements pertinent to each event prior to filing the application with the City Clerk's Department. This manual is designed to outline areas of responsibility for the festival or event organizer in St. Thomas so that all terms and conditions can be clearly understood and complied with. An application must be submitted to the Committee even if it is an annual event. All information and materials submitted for the application shall be made available to the public.

NOTE: Applications must be received in the City Clerk's Department at least 12 weeks prior to the event.

It is recommended that when multiple events have proposed the same location(s) and time, that the applications be treated on a first come-first serve basis.

The Corporation of the City of St. Thomas is at your service to help you in every way possible to make your event a success. If you have any immediate questions or comments about the process, please contact the City Clerk's Department at (519) 631-1680 ext 4100. Additional contact information for specific departments and areas can be found within the manual.

II. DEFINITION OF SPECIAL EVENTS

A special event is an event open to the public that takes place on City property. This can include events taking place primarily on private property, but that affect pedestrian or traffic flow, due to a higher volume of vehicles or people to a specific area. Information required from organizers could include zoning, road access and traffic flow management, public health regulations and contact with the Police Department.

A major event is more than eight hours and has projected attendance over 200, while other events are less than eight hours and have a projected attendance under 200.

The primary types of special events include the following, or a combination of both:

- 1) **Street/Sidewalk Events:** events that take place on City streets and/or sidewalks. Examples could include walkathons, running races, festivals, etc.
- 2) **Events that take place in City owned parks, facilities and properties.** Examples could include festivals, community picnics, concerts, exhibits, etc.

If you plan to set up a tent, as per the Ontario Building Code 1997, a tent or group of tents is exempt from the requirement to obtain a building permit under Section 8 of the Act and is exempt from compliance with the Code provided that the tent or group of tents are:

Indoor/tent covered areas for public assembly must comply with Smoke Free Ontario Act requirements enforced by Southwestern Public Health. There are also smoking restrictions and sign requirements expected at special events for outdoor patios that are operated in conjunction with an area where food and/or drink is served, sold or offered. There are also smoking restrictions at sporting areas and playgrounds under the Smoke Free Ontario Act that may apply to special events, depending on where they are situated. No smoking can take place within 20 meters of sporting areas or playgrounds. Examples of a playground are but not limited to: slides, swings, climbing apparatuses, splash pads, wading pools or sand boxes. Sporting areas are described as but are not limited to soccer, football, basketball, tennis, baseball, softball or cricket, skating, beach volleyball, running, swimming or skateboarding.

Organizers are encouraged to contact the Tobacco Enforcement Officer at Southwestern Public Health for details on how to meet these requirements.

This can be obtained at any Liquor Board of Ontario outlet. Organizers must adhere to the Liquor Licence Act and its regulations for the event, as well as ensure access is given to Police and AGCO inspectors for the purposes of inspections. Tip sheets on Special Occasion Permits can be found on the AGCO website.

A copy of the liquor permit must be supplied to the Corporation of the City of St. Thomas, Parks, Recreation and Property Management Department or if utilizing the services of a caterer with all the required endorsements to provide off-premises beverage services, organizers shall supply a letter from the licensee confirming date/time/locations/services as well as a copy of the establishment's endorsement.

City Clerk's Dept, City Hall - 519-631-1680 ext. 4100 customerservice@stthomas.ca

If you wish to apply for a "Special Occasion Permit," through the Alcohol and Gaming Commission of Ontario (AGCO), you must first obtain a letter of approval from City Council, declaring your event "municipally significant", by submitting the separate request to the City Clerk's Department. Please note that such approval may take several weeks.

e) MUSIC / NOISE

Contact: St. Thomas Police Services - 519-631-1224 ext. 4177 sbogart@stps.on.ca

SOCAN - 1-800-557-6226 or www.socan.ca

In accordance with the provisions of Noise By-law 68-2003, the use of sound reproduction devices during special events is authorized between the hours of 8:00 a.m. and 11:00 p.m. so long as the Police are satisfied that said devices are being “used in a reasonable manner” (i.e. the volume is not intolerably high so as to unreasonably disturb the peace and comfort of any person in any dwelling house, apartment, hotel or other type of residence).

For events not taking place in a City facility, it is the responsibility of the organizers to obtain any applicable musical licencing through SOCAN. If your event is taking place at a rented City facility, a SOCAN charge will be applied to your permit invoice. A SOCAN licence gives you the freedom and flexibility to use virtually any music you want for your business or public event – legally, ethically, and easily. Without SOCAN, you would have to get permission and negotiate a royalty with every songwriter, lyricist, and music publisher whose work you intend to play.

Please note that if utilizing a temporary stage structure, regulations are found under the Occupational Health and Safety Act and enforced by the Ministry of Labour. A resource document for event organizers can be found on the Special Events page on the City of St. Thomas website.

Please note that such approval may take several weeks.

Pet owners will be prohibited from bringing their animals to a public park during events where signs are erected prohibiting animals. Persons with disabilities are permitted to be accompanied by their service animal but must keep that animal with them at all times in areas/premises which are open to the public, when accessing goods and services provided by the City of St. Thomas, unless suspended by other legislation.

Once your Special Events Application has been approved, the Manager, Roads and Transportation will prepare a report for Council approval and will contact you. Please note that preparing the report and obtaining Council approval may take several weeks.

Adequate provision for bus service is essential when planning an event route. A City street that is a public transit route shall not be closed for an event unless there is an acceptable parallel road that can be used as an alternate public transit route.

Marshals, volunteers and special event staff are not permitted to direct traffic. Pursuant to the Highway Traffic Act, only the Police can direct traffic.

Please refer to the city map located at http://www.stthomas.ca/city_hall/city_clerk/special_events_permit. Having the police present involves paying to have off-duty officers present for the duration of your event.

Temporary detour and/or advance warning signs may be required by City staff or Police to divert traffic away from the vicinity of the event. If required, they shall be erected, maintained and removed by City staff. It is the responsibility of the event organizers to ensure that all streets that intersect with the closed portion of the road are completely barricaded at both ends of the closure at all times. It is the responsibility of the event organizer to ensure that trained volunteers are positioned at both ends of the road closure at all times to assist emergency vehicles and those with legitimate business through the barricaded area and that a 6 meter passageway is kept clear of obstacles at all times within the road closure so that emergency vehicles can proceed through unimpeded.

It is the responsibility of the event organizer to provide details of the event to residences, businesses, churches and any other institution or organization that may be impacted by the event a minimum of 10 days in advance of the event where reasonably possible. Furthermore, the event organizer will work with business representatives, etc., to minimize any inconvenience the event may cause. Funeral homes shall be notified 48 hours prior to the event.

Parking

If an event is going to impact Municipal Parking Facilities (both on and off City streets) the organizer must contact the Environmental Services Department - Roads and Transportation to arrange a parking plan. All event parking will be arranged to ensure the safe flow of traffic before, during, and after the event. City staff and City Council must approve exclusive use of public parking lots.

Sidewalk Sales

It is the responsibility of the applicant to ensure that each business within the limits of the proposed sidewalk sale receives adequate prior notification and is given the opportunity to participate. No tables or barricades shall be permitted within

6.0m (20ft) of an intersection. There must be a minimum of 1.5m (5ft) of clear sidewalk space maintained at all times. Merchants participating in the sidewalk sale shall be restricted to the sidewalk within the boundary lines of their establishment as extended across the sidewalk. Merchants wishing to use sidewalk space in front of an adjacent establishment as part of their display requires the written approval of that establishment's proprietor.

It is the responsibility of the applicant to ensure that any litter generated as a result of the sidewalk sale is picked up and disposed of properly.

Demonstrations

Demonstrations having less than 150 participants shall be restricted to the sidewalk. Demonstrations having more than 150 participants may use part of the roadway. City staff or a Police officer shall determine the extent of the road use. Demonstrations having less than 150 participants conducted outside a non-internationally protected property shall be restricted to the sidewalk on the opposite side of the street. Demonstrations having more than 150 participants conducted outside a non-internationally protected property may use part of the roadway adjacent to the sidewalk on the opposite side of the street. The St. Thomas Police shall determine the precise parameters of the demonstration and whether the use of the street is required. If no sidewalk exists, the demonstration shall not be permitted within 15m (49') of the establishment. The St. Thomas Police and or City staff may make exceptions for small demonstrations or when it is more practical for the participants to be in front of the establishment.

The City will be responsible for the collection of the organic material from the carts placed in the designated collection area. There is no charge associated with the collection of recyclables and compost materials for special events.

Event organizers need to inform the City of the range of waste materials being generated.
