

**Fairview Avenue Construction**  
Southdale Line to Elm Street  
**Public Information Centre**

The City of St. Thomas is excited to announce the Fairview Avenue Construction project! The work includes replacement of the existing storm and sanitary sewers, watermain, road widening, sidewalks and bike lanes. This project follows the “Complete Streets” philosophy and provides accessibility enhancements for all road users including vehicles, cyclists and pedestrians of all ages and abilities. A website has been set up containing information about the project at [www.stthomas.ca/fairview](http://www.stthomas.ca/fairview). A virtual Public Information Centre will be held to present project information and answer typed questions from participants. Meeting details can be found below.

**Public Information Centre:**

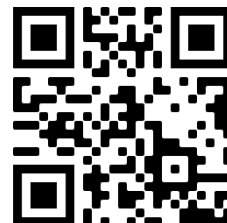

Date & Time: Tuesday, February 2, 2021 at 6:00 p.m.

Scan the QR code  
to access the meeting:

Access: <https://zoom.us/j/93658461899>

Meeting ID: 936 5846 1899

\*For telephone audio call +1 647 374 4685 and you  
can listen to the presentation live.  
Long distance charges may apply.

**Project Details:**

- Location: • Fairview Avenue from Southdale Line to Elm St
- Schedule: • March–October, 8 months  
• Construction will be phased to minimize the impact to residents  
• Road(s) will be closed, open to local traffic only  
• Pedestrian access will be maintained when feasible
- Scope: • Sanitary and Storm Sewers, Watermain, Utility Relocations, Roadwork and Restoration
