

# Transit System Upgrade Project

## Various Locations

---

To Whom It May Concern,

The City of St. Thomas is pleased to inform you that construction will be carried out in support of an upgraded transit system. The work generally involves construction of concrete waiting pads at future or existing transit stops. You are receiving this notice because the waiting pad will be constructed in front of your or your neighbour's business or residence. Please be advised that parking is not permitted within 9m of a transit stop.

### **Project Details:**

**Location:** Various Locations throughout City

**Schedule:** Tentative Start Date – **Week of October 5<sup>th</sup>, 2020**  
Anticipated Completion – December, 2020

**Scope:** New concrete transit waiting pad & sign.

### **Impacts During Construction:**

**Traffic:** The road will be open to traffic, but may have reduced lanes at certain points during construction.

**Vibration:** Construction equipment can cause vibrations. Please ensure you protect any valuables susceptible to damage.

**Safety:** Stay safe and avoid the work area during construction. Maintain a safe distance from construction vehicles entering and leaving the site.

### **Contact Information:**

Questions/concerns regarding construction should be brought to the undersigned.

Sincerely,

**City Project Manager/Inspector**

**Michael Brix**
