GENERAL TERMS AND CONDITIONS

Purpose

A road occupancy permit allows the Applicant to occupy the City Road allowance, including the portion from the road shoulder to the private property line, to complete the work requested on the application. The permit must be posted on site at all times and be available for review by the City.

Lead Time

Applications should be submitted at least 2 weeks prior to the required date.

Utility Locates

All utility locates are the responsibility of the Applicant.

Traffic Control Plan/Public Way Protection Plan

All barricades, signs and signals required to direct, or guide the motorist and / or pedestrian shall be erected and maintained by the Applicant in accordance with the "Ontario Traffic Manual, Book 7 - Temporary Conditions". A covered way shall be constructed in accordance to Ont Reg 213/91 if any sidewalk is closed. All detour signing and materials, when required shall be supplied, erected and maintained by the Applicant at their own expense.

Contacts

A 24 hour contact list must be submitted with the application. This will ensure that the appropriate people are contacted. If contacts are not submitted and the City is required to arrange for repairs, all costs incurred will be invoiced to the Applicant.

Effective Dates

Effective dates requested on the application will be on the permit. This office should be notified if the job is delayed or an extension is required.

Final Inspections

A final inspection is required prior to the release of a security deposit, and if required, is usually a condition of the permit. Please contact the Public Works Customer Service staff (519-631-0368) to arrange for a final inspection. If the work has not been completed to satisfaction of the City under the conditions of the application, the City may elect to finish or restore the work with the Applicant's deposit without any prior notice.

Lane/Road Closures or Restrictions

Lane Closures or Restrictions may be permitted between the effective times on the permit, usually between rush hours (9:30am to 3:30pm). Road Closures are not permitted at any time without written consent. The Applicant shall maintain pedestrian access and vehicular access to all public and private properties.

Revocation of Permit

Permits may be revoked without compensation or notice if the work/event does not conform to requirements of any governmental authority having jurisdiction over the area where the work is taking place.

Standards

All works shall be carried out in adherence to the City of St. Thomas Engineering Design and Construction Standards. The Applicant is responsible for the temporary and permanent restoration of all pavement, sidewalk, boulevards or curb and gutter to its original condition.

Regulations

All work shall be carried out in accordance with the Occupational Health and Safety Act and Regulation for Construction Projects in Ontario - Public Right of Way Protection, Reg. 213/01. The City right of way must remain safe at all times.

PERMIT APPROVALS

In consideration of this permit being granted to me, I do hereby undertake and agree with the Corporation of the City of St. Thomas, to indemnify and save harmless the said Corporation of the City of St. Thomas and/or any of its officers or servants from any and all damages, costs, charges and/or expenses that they may be put to or may incur in defending themselves against any claim for damages, or may pay by way of settlement of any such claims in case damages are sustained by reason of any work or operation done under the authority of this permit or otherwise connected therewith.
