Subject: Re: City Hall Annex Windows

Ross,

This item will go on the agenda for our February meeting. Personally I will be away for that meeting but the committee will follow up with you.

Frank.

Subject: RE: BXTOWER

Frank:
 Another project that is happening this year at City hall involves the removal of brick and replacement of windows on the south east side of the annex. Building Inspectors are moving downstairs and staff will be creating additional offices. Windows will match existing windows that where replaced a few years ago.

Ross.
