To: Frank Lattanzio; Councillor Joan Rymal  
Subject: Wellington Block Roof Replacement

Good evening Frank and Joan,

The Wellington Block Heritage Building is in need of having the roof replaced. It is up for approval in this years Capital Budget. The cost to replace the roof with a slate roof is \$450,000.00. I have some concerns about the cost to do this project. I am writing to you both asking if the Heritage committee would consider the idea of having city staff look into a cost comparison for using alternative materials to replace the roof. My understanding is that it would only be looked into with the committees willingness and if it was the desire of Council to direct staff to look into alternative materials and costs during our budget process. Please feel free to contact via email or by phone 519-637-1005 if you have any questions or comments.

Cheers,

Mark Burgess
